²Private Companies

Keynote Sessions

Monday, 17 January 2022 from 1.00 – 1.45 p.m. CET

“The 2020s: a Most Disturbed Decade”

Christopher Potts

Head of Economics & Strategy Research, Kepler Cheuvreux

Christopher Potts has been the Head of Economics and Strategy Research for Cheuvreux since 1995. Potts and his team have built a strong reputation for their publications which cover macroeconomic themes, asset allocation – with emphasis on sectors and markets within Europe – and quantitative and technical analysis. Potts has worked as an economist and macro strategist over the past 25 years on currency, bond and equity markets, with a focus on the European region, having previously worked in the oil industry and as an economic consultant. He was educated at the University of Cambridge and the LSE in the UK and at the University of Bordeaux in France.

Tuesday, 18 January 2022 from 1.00 – 1.45 p.m. CET

“Batteries as the future of e-mobility - Northvolt at the forefront in Europe”

Alexander Hartman

CFO, Northvolt

Former world-ranked tennis player. Background at Goldman Sachs Investment Banking, Altor Equity Partners Private Equity and outdoor brand Helly Hansen. Alex holds a BBA in corporate finance from University of Mississippi and a MSc in Corporate finance from Stockholm School of Economics. Has been with Northvolt since 2016.

Alexander Potter

Senior Research Analyst, Piper Sandler

Alex Potter is a managing director and senior research analyst with a focus on transportation technology. In particular, he focuses on electric vehicles, automotive e-commerce, ride-hailing, last-mile delivery platforms, fleet telematics, and urban micro-mobility. Potter previously covered Chinese auto and truck companies listed in Hong Kong, and prior to joining Piper Sandler in 2008, he worked as a Beijing-based consultant to the World Bank. He is fluent in Mandarin Chinese and holds degrees from St. Olaf College (B.A., Asian Studies) and the University of Minnesota's Carlson School of Management (Master of Business Administration). Potter was also a 2003 Fulbright Scholar at Peking University's College of Environmental Sciences.
